### Brainerd Dispatch.

The prince of Wales has been elected grand master of the Free Masons in England.

The Knights of Labor are assisting the railroad companies in hunting down the men who wrecked the train near Kansas City a few days ago.

A dispatch from Washington on Tuesday says that congressmen Nelson has succeeded in getting the bill passed authorizing the Little Falls Water Power company to build a dam at Little Falls, Pa. A similar to the Brainerd dam bill, and will meet no opposition in the senate.

The people of Alexandria held a meeting on the 21st. The Little Falls Water Power company raised \$2100 for the afflicted people. Immediately afterwards, however, it was discovered that the company had been deceived by a man named Mary, in Douglas county, doing great damage. The Alexandria people thereupon decided to apply to the state for the relief of people in their own county.

A few days ago three young boys began to break up a boat on Otterdays, and were coming ashore, when some older boys began to throw stones at them and threatened to kill them if they landed. The boys were afraid that they would do what they said, and rowed back into the middle of the lake. The current caught them and carried the boat over the dam, drowning George Fletcher, who was about 15 years old.

Boston Corbett, the man who shot Wilkes Booth, has declared war against the honorable commissioner of the land office. Sparks has received numerous letters from Mr. Corbett and they are very complimentary. Corbett also sends the land commissioner missionary tracts, believing that a careful perusal of them will be of benefit to him.

The Farmers and Merchants' bank of Perham under the auspices of the Farmers and Merchants' National Bank of Valley City, Dak., suspended business at 1 o'clock this afternoon, paying all depositors 10 cents on the dollar. The cause of the suspension is owing largely to the report that Herbert Ross had failed at Valley City, and of certain judgments that are now pending against him.

### The Subject is Hot.

It is amusing to see the way in which parties have recently acquired the Democratic faith are trying to boom the chance of their party for future salvation. The Journalists are very anxious to obtain an accurate and scientific description of a tornado. There are a number of volunteers who would gladly go through the horrors of such a storm, and that at St. Cloud if they could only know of its coming and be on hand with an aneroid barometer.

It is interesting to note that the Democratic brethren. The e. g. o. p. never did like to have the misfortunes of others, and have therefore been subject alone to the knowledge that it was a very distasteful one to Democrats.

### Latest Labor Notes.

The Labor Echo is a new publication which is devoted to the interests of the Knights of Labor. It is well edited and will prove of much benefit to the order in Minnesota.

The labor element of St. Paul has nominated Major T. M. Newson as a candidate for city treasurer. He will be endorsed by the Republicans.

The Knights are 2,300 strong at the next meeting of the State District Assembly, Knights of Labor, will be held at Winona, in July.
