OPEN DAY AND NIGHT. We pride ourselves on being the most accommodating house in the city.

Man, JAY GOULD died at her home in New York City last Sunday. Her will is estimated to be worth \$10,000,000.

Dr. GERRARD, of Little Falls, the collector of customs of the district of Minnesota, fell dead in his office at St. Paul on Tuesday. Heart disease was the cause.

House (Gerrard) delivered a lecture before the Minnesota legislature on Wednesday evening, on his single tax theory. This theory seems to be gaining ground very rapidly in this state.

The conference committee of the house and senate, on the bill creating a secretary of agriculture, came to an agreement on Monday, and when Governor vetoed the bill, Harrison will have eight cabinet officers to appoint.

A GREAT deal of interesting and entertaining reading matter can be found in our inside pages. A brief summary of the work of the legislature and also of congress can be found in our inside pages.

The presidential electors of the several states of the union met on Monday last, and cast their votes for president and vice-president, and many too sanguine democrats who put up their money on Grover to fall a majority of the electors were cast for Ben. H. Harrison, of Indiana, and Levi P. Morton, of New York.

The Journal is authorized for the statement that Judge Davidson will start a Democratic paper in the spring. As Mr. Davidson is an experienced journalist, and a man more than ordinary ability, he will undoubtedly issue an exceptionally bright editorial, and will without a doubt, make his paper the leading democratic paper of this upper country in a very short time.

Lost \$8,000. The following item from the Duluth Tribune may be of interest to some of our readers.
