A gentleman whose name we did not learn was seriously injured by falling from a hand car, the first of the week and it is reported that his back was broken. He is at the seminary.

Miss Maggie Johnson, who has been visiting with Mr. and Mrs. J. F. McDonald for some time, left her home in La Crosse, Wis., last Saturday. She will stop at Minneapolis to visit friends and relatives for a short time.

The Baker Opera company, which has been holding the boards at the opera house during the week, are an excellent troupe and are entitled to better patronage than they have been receiving.

Invitations have been issued for the wedding of Miss Myrtle Bixby to Angus Murray, which will take place on the evening of Sept. 17th, at St. Paul's church at 9 o'clock. A reception will follow at the residence of the bride's sister, Mrs. L. P. White, Jr., from ten until twelve.

Manager Alexander has negotiated for the purchase of a "Pat of Keds" company to give one performance at the opera house Sept. 28th. The company is headed by the largest and most pantomimic eccentric comedian Berni Kendall. A good heavy laugh is happily enjoyed by everyone and Kendall and the "Keds" have a reputation of five successful years in the laughing producing line.

A British gentleman who was in this city last Saturday informed us over 1,000 bushels of blueberries have been shipped from that city since the 1st of August. The largest crop in the country is reported to be in this city. The cranberry crop is also known, and he thinks at least 600,000 bushels will be marketed this year in this city.

John Rankin, a machinist helper employed in the Northern Pacific shops at Livingston, Mont., was seriously and fatally injured Saturday afternoon, while raising an engine. The licks slipped, letting the engine fall upon him, crushing one leg so that amputation is necessary. He received other internal injuries. Doubts are entertained for his recovery.

Dr. L. M. Roberts, late of Brainerd, has secured rooms in the Block, First street, and will at once commence the practice of medicine in this city. Dr. Roberts was educated from Northfield, where he expected to locate, but the prospects not being so bright he decided to locate in our thriving city—Little Falls. Transcript.

Quits a Sensation. Brainerd gossip has been busy during the week, the theme being the sudden departure of two married women living in Ninth street north, one a young widow, the other a wife and mother of a two-year-old girl, the names of whom will not be mentioned out of respect for the relatives just left behind. As the story goes the woman started for the east and the first intimation that the husband had of any such intention on the part of his wife was a note which he found on his return from the city, signed by his spouse, which informed him that she had gone never to return. There are many theories as to the reason, one being that the young widow was to have been married in a month to a Northern Pacific employee.

The Jury List. The following is a list of grand and petit jurors which were drawn on Friday last for the September term of court.

GRAND JURORS. Wm. Paine, J. E. Wilson, J. D. Arnold, L. B. White, Sr., J. T. Dams, Walter Dyer, L. B. Stallan, H. I. Cohen, N. H. Coffin, N. H. Coffin, J. H. Koop, F. G. Sundberg, J. R. Phipps, Dan Doran, Clark Davidson.

Stated proposals will be received at the county auditor's office up to 10 a. m. Tuesday, October 1st, for 25 tons of Egg Coal, to be delivered at court house. The board reserves the right to reject any or all bids.

Democratic State Delegates. The democratic convention for Crow Wing county was held at the auditor's office in the court house this afternoon, and although the attendance was not large, it was an exceedingly harmonious meeting. There were eight delegates present, the chief of whom kept the proceedings represented and none of the county precinct except Oak Lawn. The convention was called to order by Geo. O'Brien, elected chairman and Geo. C. Johnson secretary. The following delegates were then elected by ballot: State Convention—Wm. H. Knapp, S. W. Seares and Wm. Koop. Congressional Convention—E. O. Stevens, A. J. Demas and John Barber.

Legislative Convention—O. D. Johnson, Wm. H. Knapp and Wm. Koop. An effort was made to have the delegates to the Congressional convention instructed to endorse the Farmer's Alliance candidate but without success. The convention terminated in favor of an unopposed delegation. The convention then adjourned.
