A POLITICAL DEADLOCK.

105 Ballots Taken for Senator and No Nomination Made as Yet. Report of the 46th District Republican Legislative Convention at Little Falls, Sept. 25.

Special correspondence to the Dispatch. The legislative convention for the 46th district at Little Falls was called to order at 8 o'clock yesterday afternoon by Chairman Rhodes...

A committee of five on credentials was on motion appointed by the chair as follows: C. H. Ward, of Todd county, C. H. Bines, of Mills Lake county, S. F. Staples, of Morrison county, and W. E. Seelye, of Crow Wing county.

The report was adopted by the convention. The committee on resolutions presented the following resolutions to the convention:

Resolved, That the republicans of the 46th legislative district in convention assembled, believe that the true principles of the republican party are fully and completely embodied in the platform adopted at the late Fifth District Republican Congressional convention...

It is expected that a break will come this afternoon, and the joint delegation feel confident. A. J. WARRNER, of Duluth for Congress, is quite confident.

The Duluth bid against the Moorhead bid reminds one of the old scrap between David and Goliath. The only apparent difference is the modern Goliath seems to have the sling and pebble.

The La Prairie Magnet comes to our table for the first time this week, and is an excellent publication for the town on the Upper Mississippi. Editor Barnard, the proprietor, and Editor Canfield, of the Grand Rapids Eagle, will be our neighbors as they will not throw us aside and are amenable to deal.

Democratic Congressional Convention.

The democratic congressional convention for the Fifth district was held at Little Falls on Tuesday last, and was a very tame affair indeed, there being nothing for the convention to do but formally nominate A. J. Whitman, of Duluth, as being the only man that could be found who was willing to offer himself as a sacrifice for the November slaughter.

A Past Told of Railroad Corporation. I am not here to say word against railroads or corporations, says Thomas Wilson to the people of Minnesota, and it is to be wondered at that he said it. For over a quarter of a century he has been the paid servant of railroad corporations and during all that time it has been his duty to work for them and in their interest.
