Perham vs Brainerd.

The Brainerd base ball team went to Perham last Saturday and played a game of ball with the team of that city. The game resulted in a easy victory for Brainerd, the locals of that place being completely at the mercy of Frank Howes, who struck out 18 of his opponents, and only 3 safe hits being made off his delivery, two by Night club men by Moore, E. and one by Perham, who was well supported behind the bat by J. Canan, he having only one pass ball during the entire game. The end of the night, the Brainerd boys being somewhat fatigued from running so many miles, time was called to count the score, the result being 20 for Brainerd and 4 for Perham. Brainerd still having an inning to play. The first-base playing of Rogers for Brainerd, and the work of Beckley at third for Perham, were worthy of mention. The usual amount of kicking was kept up throughout the game, by both teams and people in the grand stand at the umpire, Mr. Fred Paine, of this city, and Mr. W. E. Seely, of Perham. It is hoped that a return game will be played soon by the Perham boys for satisfaction. Brainerd went 11 on the field in that city, striking out one at the train to show them to hotel, and none of the ball players showing up before the start of the game, with the exception of one or two, the boys all enjoying themselves nevertheless.
