purchase, especially during the few days preceding Christmas.

Many people find it difficult to remember their friends, children, parents, brothers and elsters, with suitable presents. To nt parents, orocaers and electer, what success presents for each, to please all, and also feel opy over the result is indeed a delicate matter. We have happy over the result is inteed a objected mixing situation, always tried to help our customers out of the trying situation, by making a study of the Holiday Trade. Our efforts this year have been toward making it a pleasure rather than a task ect presents. We have so many
