**MEETING OF WHEELMEN.**  
Fat and Restless Riding Ordered. Special Police to be Appointed.  
As per call published last week a meeting of the wheelmen of the city was held at the city park on Tuesday evening. The meeting was called to order by Judge Alderman, vice-president of the bicycle club, who presided over the meeting. The object of the meeting was to discuss the suppression of reckless riding and to discuss the following rules adopted by the bicycle club last year, which will give wheelmen, who are inclined to ride recklessly about the city, an idea of what their rights are.  
We recognize that under the ordinance of this city, the use of sidewalk rollers is prohibited. It is the desire of this club to have the sidewalk rollers removed from the city streets. It is further urged that the ordinance should be amended so that it shall prohibit the use of sidewalk rollers on any street where the sidewalk is less than six feet wide.
