BRAINERD BOY AT THE FRONT.
Frank D. French Writes an Interesting Letter from Santiago de Cuba.
 On Hill near Santiago de Cuba, July 16, 1898.
 EDITOR DISPATCH:—I was down at the bottom of the hill yesterday afternoon drawing rations somebody dropped a Brazilian Maxim in my boat and when I opened it and found that it was from home I felt better than when I heard of the Spaniards surrendering Santiago although I felt pretty good when I heard that the duns had given up. I have had a pretty hard time since we left the United States (God's country) and landed in Cuba. We left Mobile on the 23 of June and did not start here until the 22nd and left the boat on the 24th, twenty-one days on board the boat, but we had a good time and had good weather together as close as saildies in a box. We landed at a place called Saginay at 11 a. m. and then there the same day at 4 o'clock we sailed for Siboney, a distance of twelve miles in four hours, where we laid until the 28th. While at Siboney a couple of other soldiers and myself fixed up two engines and started to work them. They unloaded the boats along the beach, and then three or four of us and the engineer corps built a track and road and we used the engines for hauling logs from the dock to the store here just before the fight at El Kase I took a passenger coach (the coach looked like one of the Brainerd street cars) with Gen. Bases and three or four of us and we went to Siboney and we ran within a mile and a half of that city when the Spaniards fired upon us and I will bet that there is not an engine on the B. & N. M. or the Northern Pacific that makes so fast time as we did in getting back to Siboney. On the 31st we left Siboney at 8 p. m. and marched 27 miles back under fire for four hours during the 24. We were going to make a charge on a blockhouse to reinforce the Twelfth Infantry and we went over a road where bullets were dropping like hail stones and our men were falling right and left but I was pretty lucky. It seems to me that after we made the first advance and laid down that the officers started on the second run there was not a shot fired. We did not make a hundred yards in about nine seconds. We all feel pretty good today as the Spaniards surrendered the province of Santiago yesterday. I want you to send me your paper every week, I don't know whether you will ever get paid for it or not, but I want to hear the news from Brainerd and the paper to me is better than a good meal—and a bowl of soup. Application of Mary A. Holland for increase of salary to \$55 per month was laid on the table. Request of Miss Minnie Merritt for leave of absence for one year was granted. The report of the text book committee recommending a five year contract with the American Book company was laid on the table. A motion was made and carried that Miss Holland be not allowed an increase of salary, and the secretary was instructed to notify her. The matter of vacancies in the corps of teachers was referred to the committee on teachers. A vote of thanks was tendered Mr. Henry I. Cohen for the flags presented to the board for each school building. No such thing as a "summer complaint" where Dr. Fowler's Extract of Wild Strawberry is kept handy. Nure's remedy for eye looseness of the bowels. Judge Holland will hold a special term of court in the clerk's office on Monday afternoon and evening for the purpose of issuing second papers. Controversies in the last day under the new law for those having first papers to secure second papers and vote at that election. If you want to vote get your second papers then. The Ladies of the Macabees surprised the Sir Knights on Monday evening at their hall and after the lodge business was over ice cream and cake was served followed by dancing and a general good time.

RAISED "OLD GLORY."
 The Mill Men's Patriotic Association Publicly Show Their Love for The Flag.
 "The star spangled banner, O how many it saves."
 One of the most pleasant as well as most inspiring events that have occurred in our city in recent years was the flag raising, the flinging of "Old Glory" to the breeze at the Northern Hill on Saturday evening last. A handsome crowd of people was in attendance, the N. P. running special trains from the depot in the city. The flag staff 98 feet in height has been erected in front of the company's office building, and here the exercises were held. Seats had been provided for 1000, but there were people enough to fill them several times. Brainerd's City Band, was present and entertained the occasion with appropriate music. C. S. Martin, president of the association, was chairman and director of the exercises. The services were opened by prayer by Secretary Thomas of the Y. M. C. A. Wm. Dodd delivered an appropriate address of welcome, which was responded to by H. C. Stivers, after which said the star of the company, "The Star Spangled Banner" as rendered by the band, "Old Glory," that beautiful emblem of freedom, was flung to the breeze, and then three rosters of men present were given with a will. Addresses interspersed with music were then given by Rev. D. D. McKay, Rev. F. Lynch and A. J. Hallock. At the close Chairman Martin made a short address of thanks, after which the audience dispersed. A bowery dance with music by Whitford's orchestra furnished amusement for the balance of the evening. The members of the Mill Men's Patriotic Association are delighted at the great success attending the flag raising exercises, as are also those who laid the pleasure of being present.

BOARD OF EDUCATION.
 The regular monthly meeting of the board of education was held on Monday evening, all members present except Mr. Tice. J. W. Shipp filed his acceptance as a member of the board and was enrolled. Permission was granted Rev. M. B. Bird to use the old East Brainerd school house for church services. County Supt. Wilson was granted the use of school rooms for teacher's examinations to be held Aug. 18, 19, 25 and 26th. Application of Mary A. Holland for increase of salary to \$55 per month was laid on the table. Request of Miss Minnie Merritt for leave of absence for one year was granted. The report of the text book committee recommending a five year contract with the American Book company was laid on the table. A motion was made and carried that Miss Holland be not allowed an increase of salary, and the secretary was instructed to notify her. The matter of vacancies in the corps of teachers was referred to the committee on teachers. A vote of thanks was tendered Mr. Henry I. Cohen for the flags presented to the board for each school building. No such thing as a "summer complaint" where Dr. Fowler's Extract of Wild Strawberry is kept handy. The Director inadvertently failed to mention last week that Henry I. Cohen, the front street dry goods merchant, had made a present to the board of education of five fine flags, one for each of the school buildings in the city. The old flags on the various buildings had become faded and worn, and Mr. Cohen in his patriotic patriotism determined that in these stirring war times bright new flags would be more appropriate, and with characteristic generosity made the board a present of a flag for each building. The board at its meeting on Monday night accepted the flags and gave Mr. Cohen a vote of thanks.

DIED.

Tris H. Moore, aged 61 years, died at Lake Park on Saturday night. The remains being brought to this city for burial on Monday, the funeral service being presided by Rev. G. W. Gallagher at the grave. The deceased was with a party of fishermen near Lake Park and went to bed as usual the night before but when he was called in the morning did not respond and an investigation proved that he had died during the night. Tris deceased was an old resident of Northern Minnesota having come here in the early 50's and had spent the greater part of the time since then in Crow Wing county.

Daniel Holmes, aged 17 years, son of Mr. and Mrs. Wm. Holmes, died at the residence of his father west of the city on Friday afternoon last from the effects of eating ice cream that had become poisoned by being made in a tin milk can. A number of others were affected at the time but have fully recovered. The funeral services were held from the M. E. church on Saturday afternoon, Rev. Loomis preaching the sermon.

Malcol Johnson, aged three months, daughter of Mr. and Mrs. M. Johnson, died on Thursday August 10th, of cramps, and was buried this afternoon.

Drowned at Rice Lake. Wilfred London, the eight year old son of Mr. and Mrs. W. J. London, was drowned at Rice Lake on Wednesday. In company with another boy from his own age he was engaged in fishing standing on the logs when in some manner he slipped and fell into the water. His companion got him up but it was an hour before the body was recovered, it being eight feet of water, and life was extinct. Mr. London is a millwright in the employ of the Brainerd Lumber Co. The parents have the sympathy of the community in their sad bereavement.

For Labor Day. An adjourned meeting was held Wednesday evening at the Y. M. C. A. for the purpose of listening to reports of committees. The committee of speakers and names suggested that they had engaged Rev. G. W. Gallagher as principal orator of the day, Rev. Fr. Lynch and Rev. D. D. McKay also being on the program, and that the music was being arranged for satisfactorily. On ways and means the report was that the subscriptions list was being freely signed and the indications were that there would be no trouble in raising funds. In addition to the report made by the transportation committee last week Mr. Ferris stated that while in St. Paul he saw Mr. Fox and arrangements were completed with the Northern Pacific for a rate of one and one-third fare from points as far west as Wadena, east to Astoria and south to Ripon. The committee on debts reported that the business men would get together and outline their own program. A report was made to the effect that Mr. Geo. Cook of the Brainerd Lumber Co., Mr. S. L. Henn of the Northern Pacific railroad and Mr. C. N. Parker of the Northern Pacific foundry had empowered the committee to state that the various branches of business represented by them would be closed down on Labor Day in order to give their employees a chance to celebrate. The committee on sports were given power to guarantee hotel bill and transportation for the Indian Days Ball team and also empowered to go ahead with their program. It was unanimously decided to give the mail man the choice of chief marshal of the day from among their number and Mr. F. F. O'Brien was empowered to convey the information to the man. The meeting then adjourned until Wednesday evening next.

At this city the party was joined by J. H. Koop who will journey with them to the National Park and from there to Vancouver and other points on the Pacific coast, returning to this city in about three weeks when Mr. Kindred will take his party to Sylvia lake for a few days fishing and will also introduce them to other interesting summer outing places in this vicinity.

Will Benefit the County. About the 20th of the present month a party of gentlemen from Iowa, Wisconsin, Illinois and Minnesota will visit Brainerd, the object of the visit being to enable those men to familiarize themselves with the county as their business is selling lands throughout the states named. These men would be the holders of railroad as well as private lands and thereby the greatest results possible are accomplished in the way of getting new settlers to the county. The gentlemen are on a tour of inspection for the Northern Pacific railway and as they are in all probability stay two days it seems that some concerted action should be taken toward showing them as much of the city and county as possible. It is a matter of mutual benefit to every citizen as the introduction of a large number of new settlers such as will follow a visit of this kind when the advantages cannot be other than favorably impressed upon the visitors means dollars in every property holder in the county. The exact date of the visit has not been ascertained but will be given later.

W. C. T. U. Officers. The annual meeting of the W. C. T. U. was held at the residence of Mrs. J. C. Coughlin on Tuesday afternoon at which time the following officers were elected for the ensuing year.

President—Mrs. Jesse Smith. Vice President—Mrs. B. A. Ferris. Secretary—Miss Ella Smith. Treasurer—Mrs. J. A. Coonan. One vice president was elected from each church as follows: Congregational—Mrs. Ed. H. White. Methodist—Mrs. J. H. Rhodes. Baptist—Mrs. E. Hughes. Episcopal—Miss Ella Smith.

Supper was served after the business session was concluded and a very enjoyable time was spent.
