VOLUME 18, NUMBER 37.

BRAINERD, MINNESOTA, FRIDAY, AUGUST 25, 1899.

INGERSOLL & WIELAND, PUBLISHERS

Ah, There! Get There!

We Are the People

that are going to get there. Just got back from the Eastern markets, and our New Goods are arriving every day.

Bargains, Bargains.

When in the Eastern markets we got several good bargains, so will put them out to our customers at a bargain.

Bargains in

Flusins, Shoes, Underwear, Flannels, Blankets, Dress Goods and Collarates.

Come in and get prices, as we are going to sell goods at the very lowest living prices. And when in the store go into our Grocery Department, it is one of the most popular and successful in Brainerd. When we opened it our competitors thought it would not last long, because our prices were so low. We looked to volume of sales for profits, however, and found that our policy is profitable to us and to our customers. We believe you can buy good groceries cheaper here than in any other local store.

Yours for Low Prices and Good Goods,

L. J. CALE

A SUCCESSFUL SESSION

Brainerd Entertains the Red Men During Their Sixth Annual Session.

The Red Men have come and gone. The sixth annual session of the Great Council of Minnesota, Improved Order of Red Men, was held in this city the first three days of the week, and it brought to this city a large number of visitors from various portions of the state, who, from all outward appearances, enjoyed themselves to the fullest extent during their stay, everything possible being done by the members of the local organization to give the visiting gentlemen a good time. The first business session was that of the East Sashons, which was held on Monday evening, and at which time the following officers for the ensuing year were elected:

President, J. P. Saunders, Brainerd; vice-presidents, M. M. McNeill, Minneapolis, R. H. Pierce, Duluth, J. E. Harris, Minneapolis, H. Stein, Winona, Ed. Britton, Staples; secretary, G. F. Garry, St. Paul; treasurer, J. E. Harris, Minneapolis.

Following the business meeting the grand grand sun feast of the association was held at the Arlington Hotel, and the attendance was something over 100. Addresses were delivered by local and visiting brethren and the affair was an enjoyable one.

On Tuesday morning a business meeting of the Great Council was held, followed by a parade in the afternoon, the prize of \$100 being awarded to Fred M. Frye, Walker for the largest number of men in line. St. Cloud taking the \$25 for second largest number. Immediately following the parade came another business session, at which time the following great chiefs were elected:

Great Sachem, R. Myers, Austin; Great Senior Sagamore, Geo. Hoffmann, Winona; Great Junior Sagamore, R. H. Pierce, Duluth; Great Prophet, A. E. Frost, Brainerd; Great Keeper of Wampum, J. A. Forsell, St. Paul; Great Chief of Records, F. Hebl, St. Paul; Representative to Great Council of United States, A. E. Frost, Brainerd.

Following the business session came a grand ball at Gardner Hall which was attended by over 500 people. Wednesday morning's session concluded the business, Duluth being unanimously chosen for the next meeting place in August, 1900.

The order has doubled in membership in the past year, a credit for which is given to a great extent to A. E. Frost, who has devoted his entire time to advancing its interests, and his election to the position of representative of the state in the Great Council of the United States which meets in Washington, D. C., on Sept. 12th, is a fitting recognition of his services and pleasing to his friends.

Nearly all the visitors left the city on Wednesday, but a few lingered until yesterday, all expressing the opinion that it would be impossible to visit a city where they would be better treated than they had been in Brainerd.

The following resolutions were passed and handed to the press for publication:

To the mayor and citizens of the city of Brainerd—Greeting.

By the authority of the Great Council of the Reservation of Minnesota, we are authorized to present to you the following resolutions to-wit:

Resolved, That by the permission of the Great Spirit, ruler of all things, we have been permitted to again assemble together and enjoy that sweet communion which is ever present among those who are chosen and congenial friends, and have now reached the conclusion of one of the most successful Great Sun Councils in our history. Be it further

Resolved, That in the success of this Great Sun's Council, we are indebted to a great measure to the press, mayor, citizens, and the Cloud Tribe No. 13, of the city of Brainerd; and,

Whereas, in appreciation of their many acts of kindness and the open-hearted hospitality extended us, we the Great Council of the State of Minnesota in Great Sun Council assembled, extend to you our sincere thanks, and assure you that our visit here will always be remembered and cherished by us as one of the brightest spots that has ever been cast from the beautiful firmament above, upon our beloved order.

Respectfully and Fraternaly in Freedom, Friendship and Charity
Thos. W. Scott,
Boss of Assays,
Dr. R. H. Pierce,
Committee.

Liquor Dealers in Session

The fifth annual session of the Retail Liquor Dealers' Association of Minnesota is in session in this city, but the Dispatch goes to press too early to give the details of the meeting. Officers will be elected today and this evening a grand banquet will be tendered the Association at the Arlington Hotel. The business will be concluded this afternoon.

Well Know Firm Dissolves.

The general merchandise firm of Leo & Linneman, St. Joseph, has dissolved. Martin Leo takes the stock of merchandise at 87 cents on the dollar, and Mr. Linneman the building at \$3,500.—St. Cloud Journal-Frees.

Must Be Vaccinated.

The state board of health has passed the following resolution, and requested Dr. G. S. McPherson, chairman of the local board, to see that its provisions are respected:

Resolved, That all schools throughout the state, at the opening, must require a certificate of vaccination before admitting a pupil.

Sunday Excursion to Bemidji.

On Sunday, August 27, the Brainerd & Northern Minnesota road will run an excursion from Brainerd to Bemidji, the price of tickets for the round trip having been placed at the exceedingly low sum of \$1.00. The train will leave promptly at 7 a. m. and returning will leave Bemidji at 7 p. m. The excursion is run to satisfy a popular demand from a large number of people who were unable to make the trip with Library Association, and it affords an opportunity to visit this beautiful lake resort which will probably not be presented again this season.

The City Council.

The council met in regular session Monday evening. Routine business was transacted and the following bills against the city were allowed:

Peterson, labor	425 00
V. A. Berensford, labor	17 25
St. Hill, day	15 25
Tribune, publication	38 15
Jno. McNaughton, sanitary police	4 00
Brainerd number Co.	39 83
Electrical Eng. Co.	44 33

The street committee was instructed to notify property owners on Kindred street between First and second avenues to have their sidewalks repaired within 24 hours, and if not done the street commissioner to repair same. The street commissioner was also instructed to go over the sidewalks throughout the city and report where new sidewalk walks are required to the council at the next meeting.

Fire committee was instructed to look up the eleven hydrants reported out of order, to open them and see if they are in the condition reported.

After an executive session a motion was made and carried that the report of the police committee recommending that Mayor Koop be requested to reinstate ex-Officer Hurley be adopted.

The reappointment of Moses De-rocher to the police force was confirmed by the following vote: Ayes—Pres. Craig, Ald. Koop, Adair, Low Cohen and Jamieson. Nays—Ald. Johnson, Fogelstrom and Hatfield. Ordinance No. 155, providing for the construction, use and protection of bicycle paths, had its three readings and was adopted.

BEST TOWN IN THE STATE

A Superior Editor Thinks Thirty
 Hours of Unbroken Thirst
 Must Cause Suffering
 Among Pioneers.

Editor Manger, in his West Superior
 Citizen, writes as follows of a
 Sunday in Brainerd:

A few days ago the editor of the
 Citizen made a trip to Brainerd,
 Minn., 114 miles west of Superior,
 and was greatly surprised to find
 it one of the most pleasant and in
 teresting towns he had ever been in.
 It is a town of hospitality, good will
 and generous impulse. It is mainly
 supported by several large enter-
 prises, including the principal rail-
 road shops on the Northern Pacific
 line, and the mill of the Brainerd
 Lumber company, one of the largest in
 the state. Farming interests have
 grown extensively in that
 vicinity of late, and are now a very
 important aid to the business of the
 city, so Brainerd adds a large de-
 gree of prosperity to its other good
 things. General business is much
 better here this season than in any
 year before for a long time. Brainerd
 has an elegant high school build-
 ing and four other large, solid brick
 school buildings, visible evidence of
 the active interest the people take in
 educational matters. Then there is
 the great Northern Pacific Mani-
 tariat, also a fine court house and a
 fine Y. M. C. A. building, also many
 churches. In the upper part of the
 dam has been built across the
 Mississippi river, making one of
 the largest and best water powers in
 the state. This dam was built fourteen
 years ago. It cost \$125,000.

And Brainerd has people of the
 right kind. The town seemed full
 of Red Men. Not the original kind
 against whom Col. Jim Dowagay
 that place, led his troops during the
 notable but bloodless Blueberry war
 of twenty five years ago, but mem-
 bers of the real Improved Order of
 Red Men. We met C. J. Jamieson
 of the city council, Mayor J. H. Koop
 and many other locally distinguished
 persons, official and otherwise.

Mayor Koop established the rule last
 winter of keeping the saloons closed
 from 12 o'clock Saturday night until
 Monday morning, and has strict-
 ly maintained that rule ever since. We
 were in town over Sunday, and
 noticed that there was apparently
 some suffering as a result of this
 rather stringent and unnecessary
 rule, and could not resist the con-
 clusion that a strict closing of the
 saloons during the morning hours
 at the churches would be sufficient
 to cover all useful purposes along
 this particular line of reform. That
 hours of unbroken thirst is pretty
 hard for the pioneers who many
 years ago were the advance guard
 of civilization, and for some of
 the younger pioneers as well. They
 seemed to think the mayor had given
 them a general insurance policy, and
 a "Y. M. Koop" a thorough
 business man and makes a very
 satisfactory mayor in every
 way.

We also met Hon. A. F. Ferris,
 the banker and law-maker. He is
 a price of good fellows, and between
 his duties as president of the First
 National Bank of Brainerd and his
 work as a member of the legislature
 of Minnesota, in which he has served
 at every session in recent years, he
 is very busy. It was through his
 influence that Hon. A. N. Thore was
 elected speaker of Minnesota's
 house of representatives last winter.
 He was chairman of the Dore com-
 mittee during the contest for the
 honor. C. N. Parker, president of
 the Northern Pacific Bank, and
 proprietor of the big railroad and
 general foundry in Brainerd, is an
 other citizen who is at the top notch
 of public esteem. He is enterprising
 and energetic.

Mr. Parker is also
 proprietor of the Brainerd telephone
 service, which is a very paying in-
 vestment. J. T. Sankers, proprietor
 of the City Hotel, is also a very popu-
 lar citizen. H. H. Wise owns the big
 Arlington Hotel, also a hotel at
 Fargo, which he built last year at a
 cost of \$200,000. He also bought a
 business building in Brainerd for
 \$16,000. He made nearly all his
 money in the Arlington at Brainerd
 during the past ten years, which
 shows that the hotel business there
 is not bad. Judge G. W. Holland,
 the very popular district court judge
 of that district, also resides at Brainerd.
 He has held that position for
 eleven years. We would like to
 mention a host of other very popular
 people who reside in Brainerd, but
 space forbids. Hon. H. C. Stivers,
 now editor and proprietor of the
 Superior Journal of Commerce, re-
 sided there for over seventeen years,
 and everybody had kind words for
 him, and spoke of him especially as
 an able worker for the promotion of
 Brainerd's interests. He was re-
 peatedly elected to office there,
 although he was a democrat, and the
 republicans had, and still have, an
 overwhelming majority. Altogether
 the Brainerd people seem to be a
 strong band of humanitarians work-
 ing in the field of political progress
 without partisan bias.

Final Citizenship Papers.

 day morning, Sept. 5th, and all those

Wire Grass.

Enron's Disfranchisement.
 Nature is very reluctant to part
 with her choicest secrets, but by
 the ingenuity of man, urged on by
 the ever increasing wants, is gradually
 wresting from her rich stores of
 wealth long held concealed within
 her laboratory. Products which for
 ages had been regarded not only as
 useless but as actual incumbrances
 and hindrances in the path of ad-
 vancing civilization, have been found
 to be most useful products and to
 have a comparatively high com-
 mercial value. Wire grass, until a
 year or two ago, was considered a
 useless grass, a waste product of
 nature intended to occupy marshes
 until some useful grass might be
 grown in its stead. This supposedly
 useless grass has been found to be
 a most excellent material for
 making a twine, which is now ex-
 tensively used in the manufacture
 of carpet matting and is largely
 sought for by manufacturers of that
 article.

Through the courtesy of Mr.
 O'Shaghnessy, of the Minnesota
 Grass Twine Co., the writer, accom-
 panied by W. H. Everett, of Crow
 Wing, was permitted to visit the
 scene of operations of this company
 some miles west of Brainerd on the
 Northern Pacific road. Under the
 escort of Mr. O'Shaghnessy we left
 Brainerd on the 14th of last Wed-
 nesday morning, arriving at the
 company's plant about daylight.
 The camp is located on a
 beautifully wooded knoll adjacent to
 a meadow two and one-half miles
 wide and six long, covered with a
 waving mass of wire grass. The camp
 is situated on a spur track of the
 main line and presented the appear-
 ance of the camp of a detachment of
 cavalry and a machinery department.
 We were most expectant of seeing
 the bigger blow the "revolve" or to
 have some agent come out and try to
 sell us a mowing machine, but in-
 stead we received a warm welcome
 from the foreman. After a hearty
 breakfast in the dining tent we were
 conducted by the obliging foreman a
 mile and a half into the marsh which
 the machines were at work cutting
 the grass. The machines used are
 self-raise harvesters, such as were
 used to cut grain before the advent
 of self-binding harvesting machinery.
 These machines leave the grass in
 tubular bundles which are carried
 on the ground a day or two to cure.
 After being sufficiently dried self-
 binders are driven along the rows of
 bunches while two men follow each
 machine, and two the bunches are
 placed on the platform of the binders
 from which they are taken by rollers
 driven by the automatic lever which
 delivers them in neatly tied bundles.
 These bundles, after further curing,
 are baled and shipped to the factories
 of which the company has three, one
 at Onitaska, Wis., one at West
 Superior, and one at St. Paul. The
 company has at its many thirty of
 the self-raise machines and fourteen
 of the binders. When in full opera-
 tion thirty teams will be used and a
 small army of men employed. We
 returned on the 16th, feeling
 that we had been royally entertained
 by the agents of the company.

This new industry adds to the
 farmer's source of wealth a valuable
 product. The man who so far for-
 gets to own a farm in Minnesota
 is one of heaven's favored mortals.

 all parts of the world, for the last ten
 years, I have met more people hav-
 ing used Grex's August Flower
 than any other remedy, for dyspep-
 sia, deranged liver and stomach, and
 for constipation. I find for tourists
 and salesmen, or for filling office
 positions, where headaches and gen-
 eral bad feelings from irregular
 habits exist, that Grex's August
 Flower is a grand remedy. It does
 not injure the system by frequent
 use, and is excellent for sour
 stomachs and indigestion." Sample

 Rev. G. W. Gallagher has received word from his son, C. A. Gallagher, of Co. I, 12th Minnesota Volunteers, who arrived in San Francisco August 13th, on the Centennial, after a trip of thirty-one days. During the voyage the vessel ran onto a coral reef and some \$15,000 worth of government stores were thrown overboard in order to lighten the boat that she might be gotten off, and during that time the Philippines attempted to capture her. Mr. Gallagher has served all through the campaign and landed in every battle and skirmish of his regiment, but on June 1st was sent to the hospital on account of sickness. He is now at Tacoma visiting friends and is expected home shortly by his father.

 The Evangelist Coming.
 Rev. C. P. Kite visited the evangelist, Mr. C. N. Crittendon, yesterday at France, where his private car is now. Yesterday afternoon and evening Mr. Kite attended the services and was much impressed with the spiritual power and easy, fluent speech of the evangelist. It is impossible to do as more concerned and that is displayed by his wonderful man, it is his life and only happiness to save souls. Mr. Crittendon will be in the city on Wednesday evening at the Baptist church. The next morning there will be a celebration of the holy communion at 9 o'clock to which the pastors of the different churches, the workers in the mission and all communicants in good standing in their several churches are invited. The other services for the balance of the week will be at 7 and 9:30 p. m. Other announcements will appear later.
 Electrocuting.
 Scientists and electricians cannot agree upon the number of electric volts that are necessary to cause a cessation of life in the human body. Some claim that an excessive shock is more likely to cause incineration rather than instantaneous death, but if they would turn their attention to prolonging and increasing the pleasure of life the public would hail the result with more satisfaction. For instance the electricity generated in a wave of laughter is after all the most pleasant shock, and to see a large assembly moved by a current of uncontrollable mirth while witnessing the performance of a comedian, is a most enjoyable experience. "A Breezy Time," places of laughter are better than volts of electricity any day. A Breezy Time will be seen at the Gardner Opera House this (Friday) evening, August 25th.

Warning to Farmers.
 As I am reliably informed that some foul-mouthed cheap hirings of competing machine firms are going around the farming country and endeavoring to sell machines by telling falsehoods in regard to the Deering Ideal Harvesters and Binders which I represent, I call attention to the same and warn the unsuspecting farmers of such men, who would do better as scavengers than to try and ply the machine trade with the help of lies. The Deering Ideal Mowers, Harvesters and Binders are as much superior to those competing machines as electric lights are to the old fashioned candle dip.

WE MUST REPEAT.
 When Everybody in Brainerd Tells The Same Story.

It is hard to say new things about Doan's Kidney Pills. They cure the lame and ailing back, the sufferer from kidney disorders and the troubles of those whose urinary organism is wrong in its action. They do this in so easy a way that you can be sure of their reliability. Public endorsement of local citizens is equally proven. Read this case:

Mr. W. S. Benjamin, practical hand, gang or rotary filer, of 71 Third Avenue, East Brainerd, says: "Doan's Kidney Pills did me so much good that I have prevailed on many others who complained of kidney ailments to use them, and I know of many cases where benefit has resulted. I had more or less pain and the renal secretions seemed to be acid in nature, thereby causing me considerable distress. I got a supply of Doan's Kidney Pills from a drug store, and can state that they had the effect of completely altering the condition of my kidneys referred to above. I shall certainly continue to advise others to use this remedy if I am asked away from their kidneys."

Doan's Kidney Pills, 60 cents. For sale by McFadden Drug Co., and Phoenix Pharmacy, and all drug-gists. Foster-McIlhenn Co., Buffalo, N. Y., sole agents for the U. S. Doan's medicine is Doan's and take no substitute.
