### WAS A VICTIM OF KIDNAPPERS.

Editor Cox, of the Arena, forcibly Carried into Country Wednesday Night.

### CASE OF TAR AND FEATHERS.

After Applying the Tar He Is Allowed to Walk Home Unmolested.

One of the most daring incidents for some time was perpetrated Wednesday night, when three men, with false beards, painted faces, and armed to the teeth, made a rather hurried call at the home of Mr. and Mrs. E. B. McCullough on Eighth street and kidnaped W. S. Cox, editor of the Arena, of this city. It took a strong nerve to carry out the plan, most but the men seemed to be composed of the fabric that knows no limit. Cox with a friend by the name of F. E. Stout, of the auditing department of the Minnesota & International had gone to the home of Mr. and Mrs. E. B. McCullough to call on Miss Onoole McCullough and Miss Mary Nye, who had come in from the lake yesterday morning. Mr. McCullough had left for the lake a few minutes before and no one was in the house at the time. The young ladies were going to be driven out to the lake and were about ready to start. The two gentlemen, Mr. Cox and Mr. Stout, with the two young ladies were seated on the porch within the screen enclosure at the McCullough residence. Two men came up the walk toward the house and when they stepped inside the screen and drew their revolvers it was considered a job by the quartette, but when the men were seen to wear false beards and when their revolvers were thrust into the faces of the two young ladies as well as the young man, it was realized that it was no joking matter. One large man grabbed Cox around the waist and carried him out toward the road where there was a wagon in readiness to carry him away.

### USED HIS PEN FREELY.

Young Man Finds Some Victims in This City and They Are Worried Plenty.

On Monday a dapper looking young fellow came to this city from Little Falls and put up at one of the best hotels in the city and started to make some friends. He succeeded quite well from all accounts but there are those in the city who perhaps wish that they never had met him.

He carried a check book and began to cash checks drawn on the First National Bank, of Little Falls. His given name is W. E. Hamilton and he signed that name to the checks. He seemed like a pretty good fellow and when he asked J. A. VanDyck if he would cash a check, he was told that he could have the money. After cashing the check Mr. VanDyck looked it over and saw that it was drawn rather peculiarly and was at once telephoned Little Falls, requesting the master. He was told that it was by the name of W. E. Hamilton and had an account there. He at once went over to the Arlington, and found mister man and demanded that he turn in to Sixth street at promptly 9:45 a. m., going south to Laurel, east on Laurel to Seventh, crossing over north to Kingwood on Kingwood to Fourth, and Fourth to Front, then passing the judges stand for final inspection and disbandment.

### LINE OF MARCH IS ANNOUNCED.

Arrangements Are About Completed for the Big Labor Day Celebration.

### FINANCE COMMITTEE REPORTS.

Merchants and Laboring Men Alike Respond in an Unanimous Manner.

There was a very interesting meeting of the Labor Day Association last night and nearly all the members of the various committees were present. It was the last general meeting before the celebration of this great event next Monday, and of course most of the final arrangements had to be made, the details of the parade having been discussed at length. Chairman Cohen, of the parade committee, reported that all the necessary arrangements for this feature of the day had been perfected and that the prospects were that this demonstration would equal, if not exceed, anything of the kind ever given in the northern part of the state. The committee reported that all mechanical floats and labor departments will form on Main street facing east. All business floats and civic organizations, will form on Main street facing east up to Sixth street.

### Best farmer's turnout—First prize, \$10; second prize, \$5.

Most ornamental body of men—First prize, \$5; second prize, \$2.

Most ornamental individual—First prize, \$4; second prize, \$2.

Gents' best appearing bicycle and rider—First, \$5.

Ladies' best appearing bicycle and rider—First, \$5.

Most ornamental bicycle and rider—First, \$5; second prize, \$1.

Best appearing married in parade—First prize, \$4; second prize, \$3.

The judges of the parade are D. D. Smith, J. M. Elder and Dr. W. Heasted.

The Labor Day parade committee wish to call the earnest attention of every person who intends getting out a float or joining in the parade to make their calculations early to have their signs painted for their different lines of business to be used in the parade. The committee also wishes to state that those who have signed the list circulated about a week ago to take part in the parade, need have no fear that there will not be a good representation of the business interests of the city in the parade, as the committee has secured the names of many more mechanics who have agreed to turn out. Everybody should turn in and make it the best parade that the city has ever had on Labor Day.

The list of prizes will be published tomorrow after the general committee have had an opportunity to look it over.

### VIOLATORS ARE QUICKLY NABBED.

Deputy Game Warden Saunders Made a Clever Catch Wednesday Evening.

BEFORE JUDGE MANTON TO-DAY They Paid Twenty Dollars Apiece For the Chickens Besides Costs.

Wednesday Deputy Game Warden Saunders made a very clever capture of two men who, it was thought had been violating the game laws for sometime and they were brought to this city and it proved a rather expensive luxury before they got through with the deal.

There names are Walter Canfield and Arthur Hutchins, the former being a resident of Little Falls and the latter having lived for sometime at Crow Wing. The deputy had been informed that there was some shooting going on about Crow Wing and he went down last night. He had the pleasure, not only of capturing them, but they were caught with the game in their hands. They had two prairie chickens.

The charge of having game shot out of season in their possession was made against them and this morning they had a hearing before Judge Manton. Both men pled guilty to the charge and the judge fined them each \$20 and costs. They have paid the fine.

The deputy warden contacted the guns belonging to the young men.

**DR. HUBERT HELD.**  
St. Cloud Doctor Held to the Grand Jury For Not Reporting a Smear.

Dr. R. H. Hubert was held to the grand jury in \$200 bonds this afternoon by Justice Lamberich on the charge of willful failure to report a case of smallpox. He promptly furnished the bond of \$200 required with F. E. Kreutz and Martin Mottor as sureties.

Dr. J. E. Dunn, the city physician, followed Herman Mueller on the stand yesterday. Dr. Dunn is the complainant in the case and he gave testimony very clearly, declaring that Dr. Wiegler, when he examined him late in July, showed very plainly that he had suffered from discrete smallpox. It was evidenced by the impregnation of the skin, that there were perfectly developed symptoms. A physician of ordinary intelligence would know that the man had had smallpox.—St. Cloud Journal.

### ON THE OUTSKIRTS.

Possé of Men in The City Looking For Murderers of John McGrath.

Some of the men connected with the posse of men sent out by Sheriff Hanson of Little Falls, in pursuit of the three men who are wanted on the charge of killing John McGrath in a box car near Lincoln, on the cutoff, in the city today and they confidently believe that before another twenty-four hours passes the men will have been captured.

Governor Van Sant has increased the reward and now it is \$600 instead of \$300. The men are thought to be camping around the outskirts of the city and the posse of men from Little Falls, accompanied by Sheriff Erickson, went out this afternoon to do some skirmishing.

The men are known to have left Fort Ripley yesterday. They have followed the main line almost directly as far as they have come between Fort Ripley and Brainerd. At several farm houses along the way they have stopped for lunch or to get a drink of milk. It is known positively that they ate their dinner yesterday within twelve miles of the city. They have been tracked within four miles of the city and it is understood that the farmer, saw three men lying in the woods by the road side about two miles from the city that answered the description of the three men.

### MURDERED IN COLD BLOOD.

Three Harvest Hands Hold Up Four Others in Freight Car Saturday.

### SHOT THROUGH THE HEART.

Reported That Another Man Was Horribly Pounded Up by Assailant.

Saturday there was a very bad mixup between this city and Little Falls in a box car and as a result one man is dead and it is reported that his brother was badly injured. It seems that two brothers by the name of John and Paul McGrath with two other companions were on their way to the Dakota harvest fields and were stealing a ride in a freight car. This side of Little Falls at one of the sidings three men claiming to be enroute for the harvest fields happened along and jumped in the same car with the other men. They had not been there long before all three men pulled their guns and ordered the two McGraths and their companions to hold up their hands. They felt reticent about doing anything but the latter one shot John McGrath in the heart killing him instantly. They then jumped out and tried to get away. It is reported that they beat him in horrible shape and threw him back in the car with his dead brother, got the other two men threw them in the car also, and then locked the door and made their escape. They only got \$10 out of the crowd.

When the car reached Fort Ripley the noise made by the men locked up in the car attracted the attention of the trainmen and the door of the car was opened. They were horrified at the sight that presented itself. The next freight going east carried the dead man back to Little Falls. A posse of men from Little Falls will start out after the murderers.

### TRIO OF ACCIDENTS.

John Robinson Badly Bruised by Cable—Two Little Boys Break Their Arms.

Tuesday afternoon while some of the section men were working on the "Y" that is being constructed this side of the large cable which is used to pull cars between loomed from its moorings and struck John Robinson falling him to the ground. His arm was badly broken and he was otherwise bruised about the body. He was taken to the N. P. Sanitarium and is feeling pretty well today. He is a married man and lives in East Brainerd.

Tuesday morning Frank, the three-year-old son of Joseph Miller, who lives in East Brainerd, fell from a chair and broke his arm.

The young grandson of George Towers, of East Brainerd, who four years old, fell from the porch and broke his arm. Dr. Thabes was called to attend to the injured young boy.

### MRS. FULLER DEAD.

A Respected Lady At One Time A Resident of This City Passes Away At Mankato.

The following clipping from a Shakopee paper gives an account of the sudden death of a former Brainerder, Mrs. Hanna Fuller, who died at Mankato, Monday, Aug. 19.

Fuller—At Mankato, Monday, August 19, 1901, of strangulated bowels. Mrs. Hanna Fuller, aged seventy years. One by one the early settlers of Shakopee are being gathered to their fathers and are being brought from far and near to rest in our silent cities of the dead. Mrs. Fuller lived here for more than thirty years, and by her kindly sympathy and cheery ways won for herself the friendship of all who came to know her. She was visiting her brother-in-law, Hiram Fuller, when she died, and had been sick but two days. Her deeds of kindness to her neighbors in early days were not forgotten and her last days of sickness were sweetened by the kind ministrations of relatives and a number of those who had been neighbors here. A funeral service was held at the Catholic church at Mankato, yesterday morning, and the remains were brought here yesterday afternoon. This morning services were held at St. Mary's church, Fr. O'Connor officiating, and the remains interred beside those of her husband in the Valley cemetery.

The many beautiful floral offerings attested the feeling of friendship felt toward the kind old lady. Hanson Fitzgerald was born in Denmark, county, Lincoln, the land. In early childhood she came to America with her parents and settled in Cleveland, Ohio, until her marriage to Mr. Horace Fuller, April 30, 1822. The young couple came to Minnesota and settled in Eagle Creek, and the family resided there until the death of the father in 1870. Mrs. Fuller and her children then moved to town and here until 1894, when she went to reside with her daughters at Brainerd and later with her married daughter, Mrs. Geo. H. Homan at Sauk Rapids. Mr. and Mrs. Fuller had four children. The oldest, Cleo, died in infancy. Dr. Marilla Fuller resides at St. Paul. Mrs. Homan is a building contractor at Havre, Mont., and Mrs. now Mrs. Geo. H. Homan lives at Sauk Rapids. All were present at the funeral.

Mrs. Wenzel Haettel, of Mankato, formerly of Shakopee, and Mrs. Fuller were present.

For Whooping Cough. "Both my children were taken with whooping cough and I was told to get a bottle of Dr. King's New Life Pills, which I gave them and they were cured. H. P. Dunn & Co., McFarland Drug Co."

### THE CHEESE INDUSTRY.

State Dairy and Food Commissioner McConeil Says there is No Reason why Farmers Should not Engage in It.

W. W. McConeil, state dairy and food commissioner, is about to take a trip through the state of Wisconsin to investigate the operations of the Wisconsin cheese factories in order to promulgate, if possible, a greater interest in the industry in this state. "There is no reason," says Mr. McConeil, "why the farmers of western Minnesota should not go into the cheese business with profit. It only takes \$200 to start in business, and you can run one with 100 cows, while it costs \$2,000 to outfit a creamery, and to run one with profit one must have 500 cows. There's good money in cheese, much better now, since we have the filled cheese on the run. Minnesota, I am told, has been made a dumping ground for bogus cheese and a prominent cheese maker told me that the bogus article had fairly ruined the market. Right after we made that seizure of 17,000 pounds of cheese from Minnesota, but he got three or four cents a pound more for his output and had dozens of inquiries for it."

Mr. McConeil's chief purpose in visiting Wisconsin is to confer with Commissioner Adams, of that state, about the oleomargarine nuisance. Oleo is scarce out of Minnesota, but there are large stocks of it on the Wisconsin side at the head of the lakes and when winter comes, it will be boated across the lake and taken into the lumber and railroad camps. Mr. McConeil wants the co-operation of Wisconsin, which also has a stringent oleo law, in driving the product out entirely.

A. R. Bass, of Morgantown, Ind., had to get up ten or twelve times a night for round trips as he had backache and pains in the kidneys. Was cured by Foley's Kidney Cure. It's guaranteed. H. P. Dunn & Co. and McFarland Drug Co.

### HOUSE OF WORSHIP.

DEBT IS NEARLY ALL RAISED.

The Edifice is One of the Finest Places of Worship in the City.

Sunday the beautiful new Swedish Baptist church at the corner of Tenth and Oak streets was dedicated with appropriate services and it was a great day for the members of the church and congregation.

Sunday morning Rev. F. Lundgren gave a powerful sermon and the church was packed to overflowing. In the afternoon at 2:30 o'clock the dedication sermon was preached by Rev. A. Tjernlund. The services were held at the new building and the leading pastors of the denomination in the city of St. Paul and his address yesterday was greatly enjoyed. The church was not standing room left when the services opened. Special music had been prepared for the event and it was an interesting session throughout.

In the evening Rev. V. E. Hoebger of Minneapolis, spoke and his address which stood the same as it has been born down and much of the best material thereof having been used for the church. The cost of the new structure was \$300,000, including the seats. All the debt was raised on the church yesterday afternoon after the sermon by Rev. Mr. Tjernlund, except what is owed for the seats. \$1000 was raised yesterday afternoon and this made a total of \$200,000 collected. The seating of the church cost \$500 and this is yet to be raised but the pastor, Rev. A. A. Anderson, and his congregation do not feel this a burden.

### UNCLE SAM'S PUSSIES.

Pushes that Uncle Sam Pays to Free Post-Offices of Rats and Mice.

"Several years ago a letter containing a large sum of money disappeared from the New York post-office," writes Hugh Northcutt in the Ladies Home Journal for September, in telling of "Cats that Draw Salaries." "A month after the disappearance a clerk in one of the post-offices in New York found a nest of young rats resting on a bed of macerated greenbacks—all that was left of the missing letter. Uncle Sam at last decided to employ a cat to protect the New York post-office from rats and mice. The first appointee in the United States Rat and Mouse Catching service was a large, gray tabby. She secured the place through the recommendation of her owner, who certified that she was not only a good mousetraper, but also a good friend of the Administration—qualities which she at once exemplified by her work."

"With New York as an example, other post-offices asked for cats, and today nearly every large office in the United States has its official mouse or rat-killer, who receives from nine to twelve dollars a year. This income is expended under the supervision of the postmaster for the purchase of food. Milk is the chief item, for the cats are supposed to provide themselves with meat."

How To Save Rent. Houses for sale—small cash payment. Your rent money for instance. P. B. SERRILLON, Palace hotel.

Pan-American Exposition. For the above occasion tickets will be sold by the Northern Pacific Railway Co. for round trip as follows: One and one-third fares to St. Paul, and from St. Paul via standard lines \$33.35, via differential lines \$31.35. On the daily up and including Sept. 30th, 1901. Tickets will require continuous passage in each direction. Final limit 15 days from date of sale.

### SCENERY WILL BE ELABORATE.

Two More Contracts Let in Connection with Park Opera House Tuesday.

INTERIOR WORK WILL BE GREAT.

Two Minneapolis Firms Capture Both Contracts—Scenery to Cost \$1000.

Tuesday night two more contracts in connection with the new Park Opera House were let. The bids for furnishing the scenery for the new house were opened and the contract was awarded to the Twin City Scenic Studio for \$1025. The house will be equipped with scenery which will equal anything in the northwest. The fly galleries as has been stated before have been enlarged and are now 24 feet high and the rigging left is 48 feet above the stage. The fly galleries are 48 feet apart. This will give some idea of the intricate furnishings which most necessarily be procured for this very important part of the building. There is to be one advertising drop curtain 22 feet high and 25 feet wide. Another scenic curtain is provided for by the specifications to be 22 feet high and 23 feet wide also. In all there are 78 pieces including the scenic curtains, besides all the stage equipment.

Another contract was let yesterday afternoon for the stucco and interior work. The contract for this work was let to H. A. Hall & Co. and the price was \$655. This work will be the very best and the interior of the building will be a beautiful sight when completed.

A Good Thing. German Syrup is the special prescription of Dr. A. Boeckhe, a celebrated German Physician, and acknowledged to be one of the most efficacious cures for Coughs, Colds and all Lung troubles of the severest character, removing all irritation, the cause of the affection and leaving the parts in a strong and healthy condition. It is an experimental medicine, but has stood the test of years, which its rapidly increasing sale every season confirms. Boeckhe's German Syrup was introduced in 1898, and is now sold in every town and village in the civilized world. Three bottles will relieve any ordinary cough. Price 75c. Get Green's Prize Almanac.

### AGRICULTURAL HALL.

Magnificent New Building at the State Fair Grounds—Other Changes on the Grounds.

Important changes in the aspect of the state fair grounds will be noticed by the people who attend this year's fair. New buildings, new arrangement of walks and passages ways, new conveniences, new facilities of all kinds will be much in evidence.

Most conspicuous among the new things at the fair will be the handsome Agricultural Hall, which is now being erected with the proceeds of an appropriation of \$25,000 made by the state legislature last winter. This building, 320x400 feet in size and of very fine architectural appearance. It is designed by C. R. Aldrich, the architect of many of the university and college of agriculture buildings. It is now the most prominent building on the grounds and the one which will be naturally entered first by being erected with the proceeds of an appropriation of \$25,000 made by the state legislature last winter. This building, 320x400 feet in size and of very fine architectural appearance.

For the accommodation of the great cattle show a new barn will be built on the grounds and a temporary tent of circus size will be used for the sales of blooded beasts from day to day.

Changes are being made in the arrangement of the plans for the convention. Spaces allotted to these people will be rearranged so as to give the fair a more sightly appearance. Possibly some special provision will be exercised over the character of buildings erected by the people holding concessions.

All Doctors have tried to cure CATARRH by the use of powders, ointments, and drugs in paste form. Their powders dry up the mucous membrane causing them to crack open and bleed. The powders also used in the inhaler have entirely eaten away the same membrane that their makers have since to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves one but permanently cures Catarrh, by removing the cause, stopping the discharge, and curing all inflammation. It is the remedy known to scientists that actually reaches the affected parts. This wonderful remedy is known as "Catarrh Cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to perfect the cure.

## AMUSEMENTS.

J. J. Coleman, manager of the American Theatre, New York, will send an exceptionally good company on the road this season supporting Harry Beresford in Geo. H. Broadhurst's "The Wrong Mr. Wright," which is said to be one of the best farcical comedies ever written. Its popularity throughout England last season was most flattering and the entire English press were unanimous in pronouncing it the best comedy they had seen in years. The playgoers of this country are familiar with Geo. H. Broadhurst's unique style of writing and when the claim is made that "The Wrong Mr. Wright" is superior as a laugh inducer to "What Happened to Jones" or "Why Smith Left Home" it naturally should arouse unusual interest. It abounds in skillfully organized confusion, ludicrous complications and uproariously funny misunderstandings and has been described as "a continuous laugh." The principal burden of the fun making of course falls upon the shoulders of Beresford, and that he is fully equal to the task we cannot doubt, judging from the complimentary things said about him by the press of the country. Beresford is scheduled for an early appearance in this city when our theatre-goers will have an opportunity to judge for themselves both as to the merits of Beresford and Mr. Broadhurst's "The Wrong Mr. Wright." He will appear at the Gardner on the evening of Sept. 7.

Mrs. S. H. Allport, Johnsonson, Pa., says "My little girl almost struggled to death with croup. The doctors said she couldn't live but she was instantly relieved by One Minute Cough Cure. H. P. Dunn & Co.

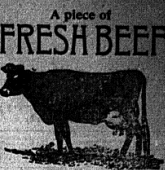

Located the Bridge. Sunday afternoon J. M. Elder, Con O'Brien, Dr. Cump and A. T. Ferris drove out to the location on the Crow Wing river where the new bridge is to be constructed to locate the same, the contractor having informed them that he is ready to proceed with the work.

The foreman of the bridge crew informed the gentlemen that the men were on the ground ready to go to work but wanted to have the same located. The contract for the bridge which is to be located near the intersection of sections 13, 14 and 24, T. 128, R. 30 was let sometime ago to L. H. Johnson of Minneapolis. The bridge was located yesterday afternoon and the work will be pushed as rapidly as possible. The river at that point is 250 feet wide and the span of the bridge is to be 40 feet. It is to be built ten feet above the low-water mark and is to be constructed on solid oak piling. There will be seven approach spans to be fifteen and one-half feet extension length, with one road way 16 feet wide.

The new bridge will be a great thing for the city of Brainerd as it will bring many farmers to this city who should not reach here conveniently heretofore, without going a long way around.

JOYOUS WEDDING BELLS RING OUT.

Popular Young People Well Known in Brainerd United in Marriage.

BOTH ARE ELABORATE AFFAIRS.

Brown-Fuller Event Monday-Hoffner-Zahn Wedding Occurred Last Night.

On Monday afternoon at the First Presbyterian church in Mankato occurred the wedding of Mr. George Herman Brown, of this city, and Miss Anna Catherine Fuller, of Mankato. The wedding ceremony occurred at promptly 4:30 o'clock in the presence of a large circle of friends of both parties.

The bride was attired in a beautiful gown made of white organdy with real lace. She was unattended as was also the bridegroom. Rev. J. J. Davis spoke the words which made the union one, and after the ceremony the company dispersed to the home of the bride's parents, Mr. and Mrs. Hiram James Fuller, where a sumptuous wedding dinner was served. The decorations at the home were beautiful. In the parlor the back parlor was artistically decorated with yellow roses. The color scheme in the dining room was especially attractive, large yellow and purple asters being used in large quantities. The happy young couple were recipients of many very costly and handsome presents from their numerous friends.

The bride is a charming young lady and is well known in this city having taught school here for years. The bridegroom is well known in the city and has been connected with the First National bank for years. Mr. and Mrs. Brown will be "at home" in their new residence on Seventh street north after September 25.

A very pretty home wedding was celebrated Tuesday night at Merriam Park when Miss Amanda Harriet Zahn was united in marriage to Mr. John McLoe Heffer, of this city. The ceremony was performed at the home of the bride's mother Mrs. B. F. Zahn. Rev. George M. Ten Broeck, rector of St. Mary's Episcopal church, St. Paul, read the service. Miss Hal Blank presided at the piano and played the "Mendelssohn" chorus for the processional and during the ceremony she played "Cavalleria Rusticana". The wedding was one of the prettiest in the city and was held at 8 o'clock in some time, everything being very elaborate. After the wedding ceremony an informal reception was given at the home of Mr. and Mrs. Heffer left shortly afterwards for the east by way of the lakes.

A. Willard Zahn, of St. Cloud, gave the bride away. She was attired in a gown of white silk crepe de chine, over tulle, with trimmings of real lace. Miss Zahn, a sister of the bride, was maid of honor and she was attired in a gown made of pink batiste. Both the bride and her maid of honor carried shower bouquets of flowers.

The bridegroom was attended by F. E. Stout, also of this city, best man, and Ralph Eastman and E. M. Brown were ushers. Mrs. F. M. Green had charge of the arrangements in the dining room and she was assisted by Miss Bernice Coykendall, Miss Laura Shepard, Miss Beattie Currie, Miss Grace Holloway, Miss Ethel Douglas, Miss Pauline Fitch, Misses Harriet and Lou Stoughton, Miss Jessie Holloway. Other assisting ladies were Mrs. L. M. Daniels, Mrs. George Thomas, Mrs. Benjamin Mrs. O. F. Eastman, of Minneapolis; Mrs. A. G. Flournoy, Mrs. Frank Nealey, Mrs. Archibald Coleman.

The bride was one of the charming belles of St. Paul and she will be greatly welcomed to society circles in Brainerd. The bridegroom is employed in the general offices of the Minnesota & International in this city and he is popular with all classes. After an extended trip in the east Mr. and Mrs. Heffer will return to Brainerd and they will be home after Sept. 15.

DEFOREST LORENTZ.

Nuptials Celebrated Last Night at the Rectory of St. Paul's Episcopal Church.

Wednesday night Mr. S. DeForest was united in marriage to Miss Estelle May Lowrey, Rec. Holy Trinity, Money, of St. Paul's Episcopal church, officiating. The wedding ceremony occurred at the rectory of the church shortly after 8 o'clock. This was followed by a reception at the home of the bride's mother, Mrs. Harry Lorentz. Only immediate relatives of the family witnessed the ceremony.

At the home the wedding supper was a sumptuous affair, the decorations in the dining room being particularly attractive and neat. Out flowers of all descriptions were used in profusion in the rooms. From a central point in the room amplex was strung to the four corners of the table and the scene was a delightful one.

The bride wore a gown made of white tulle, trimmed with silk mill and Arabian lace. She carried in her hand a shower bouquet of white roses. Miss Bertha Stude was maid of honor and she wore a gown made of poponettes, trimmed with white cloth and Lyons velvet. She carried a shower bouquet of yellow roses. The bride was a charming young lady of the city and has a large circle of friends who will wish her joy through life. The bridegroom is a popular young business man of the city. He was attended by J. Willard Thompson.

Mr. and Mrs. DeForest left last night for Minneapolis. They will leave there Friday for Muskegon, Mich., the old home of the bridegroom, for a short visit. They expect to take in the Pan-American exposition before returning to the city. They will be home about 25th, Fourth street north after October 10.

HE GLIMMED RAZORS.

A Light Fingered He Made Away With Four Good Ones From Gus Raymond's Barber Shop.

A gentleman with a distinguished air worked his hairy fingers to good advantage at the barber shop of Gus Raymond for a few days ago. Mr. Raymond was in the shop alone and when he went over to the Murray grocery store to buy some fruit he did not think it was necessary to close the door of the shaving emporium. Just as he was going down the stairs the astute individual was coming up and when informed that "You are not here," by the barber he stated that he did not care to "wait" as there was another man down there waiting. Mr. Raymond did not think anything of the incident until he got down stairs and found that there was no one in the shop. He began a little investigation and found that the man had not only decided not to "wait" but in his hurry to get away from the establishment he had purchased four good razors.

The police were at once notified but the individual with a natural instinct all his own had suddenly disappeared and could not be found. \$10.00 to Buffalo Pan-American and Return \$10.00. Tickets on sale daily via the Milwaukee Road, good returning ten days from date of sale. Especially this route for 15 and 30 day lines Chicago to Buffalo and return.
