LOCAL
PAY UP.

We have during the past week sent out statements to a large number of our subscribers in arrears, and shall endeavor to notify all as rapidly as possible. We are in need of the money due us, and hope ALL will respond promptly. Send in your remittances at once, please.

Local happenings are scarce this week.
Don't forget the meeting at Bly's Hall on Saturday evening.

The county commissioners held their regular session for 1878 at \$50.00.
Sewing machines and oil at greatly reduced prices at the TURNER OFFICE.

Eight liquor licenses were taken out this week at the session of the county commissioners.

Capt. C. R. Sleeper, of Brainerd, will lecture at Wadena on Friday evening next before the literary society of that place.

We received a pleasant call to-day from D. O. Goulet, Esq. of St. Paul, who is doing very prosperous milling business at that place.

Mr. and Mrs. W. H. Leland will take their departure for work on Monday. They were unable to get away on Thursday as expected.

Dr. A. S. Campbell, elected coroner at our last election, declined to qualify, not desiring the annoyance of an office, and that important position still remains vacant.

Rev. A. Simpson, of the Congregational church of this city, left Brainerd for work on Monday. He takes his departure on that day for Farmington, Minn., where he will make it his residence and take charge of a pastorate.

Mine host, Weed, of the Head quarter's hotel, has had new floors laid throughout and is otherwise repairing and renovating that popular hostelry preparatory to the fresh crop of travel to this place which will be inaugurated in the spring.

Hon. Robert Maclender, of Bismarck, gave the TURNER a call on Thursday, en route to Yaukon, where he will spend the winter as a member of the Territorial Council. S. G. Roberts, of Fargo, was on the same train en route to the same place, and sent on the same purpose.

L. M'Pherson, one of the employees at the N. P. shops, met a severe accident while at work one day this week, and has been obliged to quit work in consequence. An iron, he was handling at the bench, fell to the floor and in falling to save his hand, cut his arm upon some object before him, cutting it badly.

Our citizens are warned against an old rascald tramp who goes from house to house begging for alms, and who, when he finds them alone, threatens violence when they do not comply promptly with his demand, and setting down the proceeds. Give him a warm reception and pass him on to the next town or he will be a nuisance on this in a short time. One who offered him something to eat, but nothing would do him but money, and money he got.

Wm. Schwartz has adopted a novel scheme for creating a run on boots and shoes and disposing of a beautiful music box worth \$60.00. To every purchaser of a pair of boots or shoes of any kind, he will give a ticket good for one chance in the music box, and when a certain number of pairs have been sold the box will be drawn by these ticket holders in the form of a lottery. He does not charge the cost for the boots and shoes than heretofore, but desires to close out his stock to make room for a new supply.

The installation of officers of Widley Lodge, I. O. O. F., took place at the hall on Wednesday evening last pursuant to announcement, and was attended, with but one or two exceptions, by all members of the order in the city and their families. The company was a very pleasant one, and the proceedings were highly enjoyed by all. An address, applicable to the occasion, by Thomas Bacon, P. G., followed the banquet, after which the members were called upon, responding very briefly, and a social gathering ensued on a large scale, the evening's entertainment. Myself it often repeated, was the wish of all.

Why Don't You Go to the TURNER office and buy your sewing machine and oil at greatly reduced prices? She has coaxed you for one long enough—in fact, earned it asking for it, saying nothing of the drudgery of doing the family sewing by hand—and a very few of your days work will buy it for her. Don't wait any longer, get right down town as soon as your time is over and get one. You have no longer to

pay a fortune for a sewing machine, you can get it for a song, and if you don't want to pay that kind of money, we will divide it (the song) into stanzas—one month—so that you won't feel it, and our word for it, Melinda will look the happiest, sweetest, loveliest you have seen since your first called her "wife"; and she'll call you "hubby." If you don't believe it, try it.

Vick's Floral Queen.—Of the many Guides and Seed and Plant Catalogues sent out by seedmen and Nurserymen, and that are doing so much to inform the people and beautify and enrich our country, none are so beautiful, none so instructive as Vick's Floral Guide. Its pages is the choicest, its illustrations the most beautiful, and its contents the most valuable, while its colored plate is a gem. This work, although costing but five cents, is handsome enough for a gift, or a place on the parlor table. Published by James Vick, Rochester, N. Y.

A. E. Veon has just received a large new supply of pictures and frames of all kinds and styles, and proposes to knock the price down to the bone. Give him a call. West Front street.
